CAPABILITY STATEMENT

SPECIALISTS IN SCHOOL & EDUCATION FACILITY SIGNAGE

WHO WE ARE

Established in 1982, Barrier Signs Pty Ltd is a trusted Australian signage partner for schools and education facilities, delivering clear, durable, and student-friendly signage that supports safe learning environments and intuitive campus navigation.

From early learning centres through to primary and secondary schools, we work closely with education departments, principals, and facility managers to design and manufacture signage that is easy to understand, age-appropriate, and compliant with education standards.

Based in Taree on the Mid-North coast of NSW, our modern manufacturing facility and team of 35 full time professionals allow us to design & manufacture all signage in-house, giving schools confidence in quality, consistency, and turnaround times.

Barrier Signs understands that vital role of student safety, accessibility, behavior guidance and community identity. We take pride in delivering signage solutions that are practical, welcoming, and built to withstand the demands of busy school grounds.
