PARK, REGULATORY & WASTE MANAGEMENT SIGNAGE

A modern signage solution that remains flexible to accommodate future changes.

Barrier Post 104 is a versatile sign post system that incorporates modern sleek styling with strength and durability.

Height, width, shape and sign face materials are all variable.

A precision square extruded aluminium post with an internal groove system perfect for your chosen face materials and changeable to suit your future needs.

Regulatory, statutory and park signage can all be customised to fit within your brand guidelines. This includes reflective or non-reflective materials, icons, colours and branding.
