DOES YOUR SIGNAGE CONVEY THE RIGHT MESSAGE ?

Consistency with directional signage can be achieved in many ways, from using common colour palettes & font families to the positioning of signs in the most appropriate & visible spot throughout your facility.

Architectural signage, floor plans, parking & amenities, room numbers, door ID & information signs can all be designed & manufactured to give visitors a stress free experience when navigating your facility.

CUSTOM SIGNAGE

Our creative design team is experienced in using existing brand guidelines to match signage in any facility.

We have worked with multiple educational institutes, large and small to produce long lasting, functional signage to accommodate any budget or application.

BRAILLE & TACTILE SIGNAGE

We offer an attractive, compliant “standard” range of accessible signs as well as a “premium” range manufactured from 3mm Aluminium with a 2-Pack polyurethane finish.

BSS - 1A - S
180mm x 180mm

BSS - 2A - S
180mm x 180mm

BSS - 3A - S
180mm x 180mm

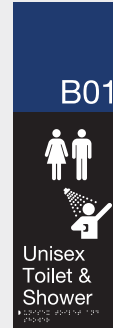

BSS - 24A - S
260mm x 180mm

Exit Level B5

BSS - 26A - S
180mm x 50mm

NOTE: All braille and tactile signs can be customised to suit your brand or facility aesthetic. Colour, material and size can all be used to create a seamless and cohesive look.

All braille and tactile signs are manufactured to meet the current Australian building standards.
